Dear Sirs

RE: EUROGOLD

I have no hesitation in recommending the above company, as they have carried out on a number of jobs on behalf of Bellway Homes and at this particular time are carrying out a job in Bury where they are doing 278 works and re-modelling a road.

All of this work has been carried out in an extremely professional manner in conjunction with the Local Authority and we are more than pleased with the workmanship, standard of supervision and invoicing.

Yours faithfully
