To whom it may concern,

Re: - Eurogold Civil Engineering Ltd.

The above company has recently carried out two projects for us, at Leigh Street Westhoughton, and Altrincham Road Sharston, involving groundwork and road and sewers.

We have found them to be a reliable company with a professional workforce and management structure.

Both contracts have been completed on programme and to high standard. We would therefore recommend Eurogold Ltd to any other company.

Yours faithfully,

J Warburton
Contracts Manager
Hargreaves Homes.
