Re: Skyline Central, Rochdale Rd, Manchester - Substructure Works

I would like to congratulate you on the completion of your ground works package for the above mentioned project.

The 6 month project has been challenging from the outset. You and your Management Team have handled the works, and the few unexpected anomalies, with a positive attitude ensuring our target dates have been met.

We look forward to achieving the same accomplishment with Eurogold on future Substructure Works.

Regards,

A handwritten signature in black ink, appearing to read "N. Johnson".
